Wellington Crabtree, Village Mascot

AKA unofficial Head of Maintenance. Wellington responds particularly well to payment in the form of food - bacon and veggie sausage butties a particular favourite.

Please note: while Wellington cannot actually fix anything, he will happily supervise the entire repair while looking extremely handsome.

Phone/WhatsApp: Despite his local celebrity status, Wellington doesn't have a phone. Partly because nobody has yet managed to teach him how to unlock one with his paws.

Interesting Fact: He catches tennis balls with olympic-level enthusiasm.
