

CHILDREN'S PARTIES

- Please read the Terms and Conditions of Hire.
- No teenage parties are allowed.
- Please consider how much “setting up” and “tidying up” time you need (and check with your entertainer how much time they will need BEFORE you book). You need to include and pay for these times in your booking.
- Please note there is no proper freezer compartment in our fridge.
- Music – if your entertainment includes a disco you need to comply with the Terms and Conditions of Hire.
- Bouncy castles and other inflatables are not permitted inside or outside the village hall.
- Your booking time starts at the time you have booked and ends at the finish time.

When your party has finished:

- Please read the Check List for Hirers and work through all the items on the list.
- If glitter has been used or wrapping paper, please ensure that this is all cleared up properly – mop floor thoroughly.
