Clapham-cum-Newby Village Hall

Hire Rates – from 1st January 2027

The hall can be hired in whole or by room and is charged per session. A session is either a morning session (8am to 1pm), an afternoon session (1pm to 6pm) or an evening session (6pm to midnight). You will need to do any set-up and clear-down activities within your session times but, if that is not practical, you may need to book further sessions for those activities. For morning sessions, access can be gained from 7am should you need it, though your event should start no sooner than 8am. For evening sessions, the hall must be vacated by midnight (00:15am on New Years Day only) to comply with our Premises Licence and reduce disturbance to neighbours.

If you only hire part of the building, then please be aware that other group(s) or hall maintenance and cleaning staff may be using other parts of the building during your hire. If your hire is for any noisy activity, such as a children's party, ball games, music or dancing, such that other users might be disturbed, then you must hire the whole building for sole use. Likewise, if you wish to bring in external caterers then you will need to book the whole building for sole use.

Discounts:

The Discounted Rates shown in the table are available to non-commercial groups who book 10 or more sessions per annum to a pattern and if they are events that are open to the whole community or for charitable purposes. In addition to this, there is a special whole-hall Community Fundraiser rate of £40 per session which can be used for coffee mornings, charity sales, or evening events etc as long as they are open to the whole community, and there is a special Exhibition Rate of £80 for the second and any subsequent days of a multi-day public exhibition or fayre, subject to a limit on the maximum duration of the event. Please contact the Bookings Secretary via the email address below if you think you might qualify for these reduced rates.

The hire rates are regularly reviewed by the Hall Committee, so please check that you have the latest version prior to making a booking.

Note that the rates shown above are for all hires after 1st January 2027, irrespective of when the booking is or was made.
