CRICKHOWELL COMMUNITY SPORTS

ONLINE BOOKING AND PARTICIPATION WAIVER

Please read this document before completing your booking. It applies to activities and facilities booked through the Crickhowell Community Sports online booking platform. Nothing in this waiver affects your statutory rights.

1. Your booking

- You confirm that you are at least 18, authorised to make the booking, and that all information provided is accurate and complete.
- If booking for a child, you confirm that you are their parent or legal guardian, or have authority from their parent or legal guardian.
- You will ensure that all participants follow applicable safety instructions, facility rules and codes of conduct.

2. Participation and health

- Sporting and recreational activities involve ordinary and inherent risks, including physical exertion, slips, falls, collisions and contact with equipment or other participants. These risks cannot be completely eliminated.
- You are responsible for deciding whether the activity is suitable for you or the participant and for providing relevant health, accessibility and emergency information requested for safe participation.
- Participants must stop and seek assistance if they feel unwell, are injured or believe conditions are unsafe. Appropriate medical advice should be obtained if there is uncertainty about fitness to participate.

3. Facility hire and third-party activities

- Where Crickhowell Community Sports does not organise or supervise the activity, the hirer or third-party provider is responsible for suitable supervision, safeguarding, risk assessment, first-aid qualifications and insurance arrangements.
- If the hirer is booking on behalf of a club, then the club must be formally affiliated to a recognised sport-related organisation, and the hirer must ensure a suitably qualified first aider is present for the duration of every session, in accordance with health and safety expectations for sports provision, and the hirer is responsible for ensuring appropriate supervision ratios and safeguarding arrangements that comply with Wales Safeguarding Procedures.
- The person making the booking is responsible for participants and guests, appropriate use of the facility and equipment, and reporting accidents, damage or safety concerns promptly.

4. Cancellations, conduct and property

- Bookings, cancellations, transfers and refunds are governed by the Cancellation and Refund Policy and any specific conditions displayed at the time of booking. As per the Cancellation and Refund Policy, the School Use has priority over Community Use.
- We may refuse entry, stop participation or cancel a booking where reasonably necessary for safety, safeguarding, serious misconduct, non-payment or a material breach of these terms.
- Personal property is brought to the facility at the owner's risk. The booker may be charged the reasonable cost of damage caused deliberately, recklessly or negligently by participants or guests.

5. Liability and privacy

- Crickhowell Community Sports will take reasonable care in providing facilities and any activities it organises. Acceptance of inherent activity risks does not mean accepting negligent conduct.
- If the hirer is booking on behalf of a club, then the club must be formally affiliated to a recognised sport-related organisation or hold appropriate public liability insurance, and personal injury covering all activities taking place or covered by the affiliated organisation.
- Nothing in this waiver excludes or restricts liability for death or personal injury caused by negligence, fraud, breach of statutory rights, or any liability that cannot lawfully be excluded.
