

Ropley Parish Hall WiFi/Internet Access

We are pleased to provide free WiFi internet access to all visitors of the Parish Hall. Connection details are provided at the end of this document. We ask that you adhere to the following acceptable use policy when accessing the WiFi network:

1. **Lawful Use:** The WiFi network must be used for lawful purposes only. It is strictly prohibited to access any illegal or unethical content such as hacking, pirated material, or accessing illegal websites.
2. **Respect for Others:** Please be considerate of other users and do not engage in any behavior that is disruptive or harassing to others. Do not use the network to send spam or engage in any other activity that may negatively impact the network performance.
3. **Security:** Please take all reasonable steps to ensure the security of your devices, including the use of up-to-date antivirus software and strong passwords. Do not share your passwords or other sensitive information with anyone.
4. **No Commercial Use:** The WiFi network is provided for personal and non-commercial use only. Do not use the network for any business or commercial purpose.
5. **Data Consumption:** Please be mindful of your data consumption and avoid downloading large files, streaming high-definition video, or engaging in any other activity that may cause excessive data usage.
6. **Compliance with Policies:** All users are expected to comply with this acceptable use policy and any other policies or regulations applicable to the use of the Parish Hall.

We reserve the right to terminate the WiFi access of any user who violates this acceptable use policy or engages in any other activity that we deem inappropriate or harmful to the network or other users.
