THE KILLING CRIME SCENE INVESTIGATION

The Highlights

- Investigate a live crime scene
- Use real forensic equipment & learn real techniques
- Created by Ex Scotland Yard Detectives Advisors to BBC's Silent Witness
- Authentic & immersive

About The Experience

Calling all team players! Get ready to step into the shoes of detectives and crime scene investigators with the most immersive and thrilling experience around – The Killing. Designed by senior ex-detectives and forensic scientists, this team building event will challenge you to push boundaries, dive into real-life forensic evidence, and catch a killer.

CEO Jonathan Buckley has been found murdered in his office, and it's up to your team to crack the case. From blood spatter analysis to ballistics, fingerprinting, and DNA, you'll use real equipment and methods to solve the crime. Delve into police statements, evidence, and information snippets to piece together the motive and how the murder took place.

Are you ready to show off your problem-solving skills and work collaboratively in a high-pressure situation? The Killing is the perfect team building event for companies looking to immerse their employees in a thrilling experience that will challenge them like never before. Don't miss out on the opportunity to bring your team together and solve the ultimate crime.

Do you have what it takes as a team to solve the crime?

3 HOUR ACTIVITY

THE KILLING INCLUDES

- Full briefing from our enthusiastic trainer
- Fingerprint masterclass (including taking your own & dusting for fingerprints)
- Background to the crime!
- The full investigation includes; DNA, Forensic Dentistry, Hair & Fibre Analysis, Fingerprinting, Blood Spatter Patterns, Ballistic Examination (Bullets), Constructing photo fits (using FBI Software)
- The evidence is collated and teams come to a conclusion
- Medals are awarded to the winning teams

THE APPRENTICE

The Highlights

- A fun, creative challenge perfect for groups of all sizes
- Work as a team to create the perfect product
- Take part in a "pitch-off" when teams have the opportunity to pitch their creation to the event

About The Experience

Unleash your creativity, marketing skills, and teamwork spirit with "The Apprentice". Improve your team's communication, collaboration, and problem-solving skills in a fun and interactive way. All ingredients and materials will be provided, and our expert team will guide you along the way.

In this activity, you will work in teams to create and market a new sweet brand from scratch. From designing the packaging and marketing campaign, you must use your collective skills to deliver the product!

- Planning: You will need to brainstorm and come up with the perfect idea for your sweet brand that will appeal to your target audience.
- Pricing: You will need to determine the price point of your sweet brand based on the production cost and market demand.
- Packaging and Marketing: You will need to design a creative and eye-catching packaging and marketing campaign that will attract your customers' attention.
- Creating and Pitching: You will have the opportunity to create your sweet brand and pitch it to the rest of the participants, showcasing your marketing skills and the uniqueness of your brand.

2 HOUR ACTIVITY

THE APPRENTICE INCLUDES

- Full briefing from our enthusiastic team
- Introduction to the challenge
- Guests are then given a set amount of time to complete the activities: planning, pricing, packaging and marketing
- Access to simple crafty items and sweets
- Teams all then come back together to start the pitches
- Teams take turns pitching the product ideas and concepts to our judge
- Teams are scored
- The winners are announced with prizes awarded to the winning team

Optional Extras

- We can add a charitable element to the event if you would like
- Increase the event duration by adding "one take adverts"

PICTURE THIS!

The Highlights

- A collaborative activity
- Solve challenges to earn equipment
- Guests get crafty and paint their canvases
- The event finishes on a high with the grand reveal of their creation

About The Experience

The perfect activity for collaboration!

The event kicks off with the first challenge... guests have to crack the code to get into their painting portfolios. There are then a series of fun activities and challenges to earn more crafty equipment from brushes to different paint colours.

Next it's onto the painting. Each canvas makes up a small piece of a bigger picture. Every canvas is vital for the final image!

After the countdown is over and time is up, the canvases are collated and guests come together to reveal the final masterpiece they have created together! This is a fantastic event for team cohesion and encouraging team work, without competition.

Will you discover the next Banksy or Warhol amongst you?

1.5 HOUR ACTIVITY

PICTURE THIS INCLUDES

- Full briefing from our enthusiastic trainer
- Challenge 1: solve the clues to gain your materials
- Groups paint canvases together
- Solve more puzzles and riddles to collect more supplies for the activity
- Fun art quiz
- Come together for the grand reveal
- Your art piece to keep and display as a memento of the activity and session

AROUND THE WORLD VIRTUAL GLOBETROTTING ADVENTURE

The Highlights

- Visit 22 countries across 40,000 virtual miles
- Put your teamwork and creativity to the test!
- Unlock fun tasks with our award-winning app
- Explore virtual landmarks and collect points along the way.

About The Experience

Set off on a virtual adventure with Around the World!

Earn Travel Credits

Arrive in different countries and work together to unlock tasks. You'll start in Argentina and work your way around the globe. Every country contains a different series of challenges. Earn enough travel credits to make it to the next destination.

Explore World Famous Landmarks

Perform a haka in New Zealand. Demonstrate kung-fu skills in China. Explore well-known landmarks (with the help of Google Maps). Uncover answers to global questions.

But be sure to watch the clock! You'll earn travel credits for distance travelled in addition to beating tasks. The team with the most travel credits at the end will be crowned the winners!

1.5 HOUR ACTIVITY

AROUND THE WORLD INCLUDES

- Full briefing from our virtual event manager (live streamed into your event)
- In teams travel "across the world" together
- Take on challenges together from photo and video to quizzes and trivia
- Travel from country to country to collect travel credits
- Visit as many countries as you can in 1 hour
- The team with the most travel credits will be crowned the winners
- This event can be hosted fully in person with all guests in the same room, virtually for all guests, or a hybrid option
- The event runs for 90 minutes in total including the briefing and wrap up

CRACKED IT!

The Highlights

- Based on a prison breakout, table top escape-style activity
- 45 minutes on the clock, to be able to escape from prison!
- Play in teams to "breakout" of prison and sneak past the guards
- Hands-on creative challenges, code-cracking, solving riddles

About The Experience

In this fast-paced prison-themed escape room style activity, you and your team will be given 45 minutes on the clock to solve all of the puzzles and break in the governor's office and escape over the wall.

With a variety of activities that are mental, hands-on and creative, the challenge is designed to keep teams engaged in this classic race against time!

Expect to be immersed in the race to escape prison as you break out of your prison cell, and decipher puzzles and conundrums to win points for your team! Not only are you racing against time and the other teams but you are also trying to discover who is the "corrupt" prison guard.

Throughout the event, you will collect digits in order to make your way into the governor's office.

What will you find when you finally break in...

"Sneak" past the guards in the stepping stones challenge, another step towards freedom and discovering who will be crowned the winners of 'Cracked It!'

Do you think you have what it takes to escape?

1 HOUR ACTIVITY

CRACKED IT!

INCLUDES

- Full briefing from our energetic event manager
- Teams are split up into "cell blocks" of inmates, with up to eight guests
- Cell blocks then need to complete a series of time-sensitive challenges including creating rope ladders, matching fingerprints, puzzles & riddles
- The activity is split up into three main challenges
- Throughout the event, teams will be collecting four digits that will aid them in their escape
- As time draws to a close, which team will escape and which teams will be left behind
- Teams must break out of prison to have "cracked it"
