

Price List – Corporate Event

A corporate event is one that is by invitation only to your clients or employees, for example, a team-building session, a training day or a board meeting for profit-making organisations. Why not use the room and the park? Schedule some time in the fresh air for some outdoor activities?

The Feed can provide a catered-for solution in a beautiful space, with views over the park.

By hiring the room and using our catering services you help fund our work preventing poverty, hunger & homelessness in Norwich.

ALCOHOL & GLASS HIRE

We cannot supply alcohol, but you can bring your own for an event. Behaviour in the room should always be with the community at mind. We are mindful that some of the people we support may have faced challenges with alcohol, therefore there may be times when it is not appropriate for us to allow alcohol and we will advise you of that at the point of booking.

We do not provide glasses for your event; you will need to organize the hire and collection of glasses – here are some glass hire companies in Norfolk. The Feed is unable to provide a glass washing up service, so you should arrange to return them dirty. You can of course bring your own glasses and take them away for cleaning at the end of the event.
