Tackle crimes that matter to local communities

Priority 3 in my new #MakingWiltshireSafer Police and Crime Plan is tackling crimes that matter most to local communities.

To do this, I will work with the Chief Constable and partners to increase residents' feelings of safety in their communities, whilst reducing the volume of anti-social behaviour incidents, improving road safety by reducing the number of people killed and seriously injured on Wiltshire's roads, and increasing victim satisfaction of those affected by retail and rural crime.

Police and Crime Commissioner for Wiltshire and Swindon
