

KEEP SWINDON TIDY

200,000 Bag Challenge for 2025

Help make Swindon a cleaner, greener, safer place to live by supporting 'Keep Swindon Tidy' in any small way you can. You can pick litter in many ways:

- *When taking the dog for a walk*
- *When taking a walk to the local shops*
- *When out with the kids. It's a great family activity to bring the family together and provide a break from 'screen time'*
- *When going for a run - why not use the warmup and cool down to pick some litter!*

Let us know how many bags you've picked on Facebook –
