Stay safe during the hot weather

An Amber Heat Health Alert is in place for the South West from midday today (27 June) until Tuesday (1 July).

An Amber warning is issued when temperatures could impact health services, causing increased demand, so it's important to stay safe.

If you're out enjoying the weather, here's [how you and your loved ones can stay safe this weekend](#).

Swindon car club goes electric

If you live in Wichelstowe and don't have your own transport, you can take advantage of a new car which has been added to the fleet of Swindon's car club.

Social enterprise Co Wheels allows people to hire a car by the hour if they need it without them having the expense of owning their own vehicle.

The new electric MG has been provided thanks to the developers at Wichelstowe and has its own parking bay next to the Connected Kerb EV charger on Shippery Lane.
