Thanks to all of our incredible volunteers

We'd like to take this opportunity to extend a massive 'Thank You' to all of our incredible volunteers across our Housing Services.

Your dedication, time, and energy to volunteer in your neighbourhoods, along with your continuous feedback, help us to create stronger and safer communities throughout Swindon.

Our Street Rep volunteers alone have contributed more than 640 hours this year to manage local community cafés in Penhill and Stratton.

There are also many other ways you can make a difference by volunteering in Swindon. From offering companionship to someone who's feeling lonely, to baking cakes for people who may not have anyone to celebrate their birthday with, every small gesture matters.

Many volunteering roles take just an hour of your time and can fit easily around your schedule.

Email volunteer@swindon.gov.uk to find out what roles are available and how you can get involved

Penhill Street Reps

Before and after cleaning the area

Recently, Penhill Street Reps dedicated their time to tidying up garage spaces behind John Moulton Hall. They removed the accumulated dirt around the kerbs, picked up weeds and litter, and swept everything clean.

Street Reps carry out a variety of activities where they live, from supporting community cafes and signposting neighbours to help with their housing issues. They also organise litter picking, community gardening and playing out sessions for local children.

If you want to support your community and make a positive difference in your area, why not become a Street Rep? [Email](#) us, and we'll get in touch with more details.
