

Updates

Additional 'Let's talk Housing' events announced

We recently ran a series of 'Let's talk housing' events across the Borough during which tenants shared their invaluable feedback on the services we provide. Thank you to everyone who attended.

Due to popular demand, we are now running additional sessions for tenants who were unable to attend. These will be on;

- Eldene Community Centre on Tuesday, 1 July from 6.00pm to 8.00pm
