August 2026

EDITORIAL

I hope everyone is enjoying the summer and the nice weather, although I for one definitely miss the rain. Thanks for all the photos sent in this month – some beautiful ones of the local countryside.

As always send in anything you would like to see in the messenger to the address below by the 15th of the previous month,

Diana

NORTON WI

The Norton WI July meeting took the form of a Garden Party, and 26 WI members descended on Jeanette and David Burt, who had kindly volunteered their garden for the event. Everyone brought a plate of food to share and in true WI fashion, there was a Cornucopia of delicious savoury and sweet dishes. With plenty to eat, Pimms, lots of chat and some competitive bean bag throwing the evening was a huge success.

The records from the original Norton WI were on display and it was fascinating to look back at the photos and read of the activities they all enjoyed.

Following a break for the summer, the next meeting will be on Monday, 14th September, at 7.30pm in the Baptist Church Hall when our Speaker will be Derek Wilding, who will give us an overview of the work of SARS.

New members are always warmly welcomed, and for further details contact nortonwisuff@gmail.com.

After starting my last newsletter by commenting on how wet the beginning of the half term had been, I'd better not say too much about the heat—but it certainly has been hot! This half term has been incredibly busy, packed full of fun, learning and memorable experiences.

Star Class (EYFS) enjoyed their first school trip to Lackford Lakes as part of their topic *Living and Growing*. The children became mini-beast detectives, exploring the natural world with their senses and had a fantastic time.

Galaxy Class (Year 1) had a wonderful day at the seaside, identifying human and physical coastal features before visiting Martello Park.

Planet Class (Year 2) enjoyed a successful Design and Technology Week, designing and making a chair for their teddy bear. They demonstrated excellent cutting, measuring and joining skills.

Comet Class (Year 3) have been learning about ocean biomes, exploring the different layers of the ocean before creating informative booklets to showcase their learning.

Rocket Class (Year 4) visited the Guru Nanak Gurdwara in Ipswich as part of their RE learning about Sikhism. The children were incredibly respectful throughout the visit. The children also enjoyed representing Norton at the Multiskills Sports Festival held at Thurston Community College.

Meteor Class (Year 5) have had an action-packed few weeks, performing at The Apex, completing Bikeability and preparing for leadership roles in Year 6.

Supernova Class (Year 6) have been busy rehearsing for *Peter Pan*, preparing for their Leavers' Assembly and continuing to develop their writing.

Sports Day was another fantastic occasion. The children thoroughly enjoyed the activities and races before families joined us for a picnic on the field. Our final PE Enrichment activity of the year, archery, was also a enjoyed by all.

Our **Upper Key Stage 2 production of *Peter Pan*** was a tremendous success. The children performed with confidence and enthusiasm, and Year 6 entertained us all with their excellent acting and singing.

On **Friday 10th July**, the whole school came together to create the mosaic that will form the base of our new harbour, funded through last year's fundraising in memory of Evie Carey. Evie's former classmates, now in Year 9, returned to lay words that reminded them of Evie. Designed by former pupil Elsie Flack using ideas from Evie's parents, the finished mosaic is a beautiful and lasting tribute.

At the end of this term, we will be saying a fond farewell to **Mrs Colman** and **Mrs Kirk**. Mrs Colman has been part of the Norton family for 19 years, beginning as a teaching assistant before becoming our ELSA Lead. Mrs Kirk has been a valued teaching assistant since 2020. We thank them both for their dedication and wish them every happiness for the future.

Finally, we say goodbye to our amazing **Year 6** pupils. They have been a wonderful cohort and worked incredibly hard throughout their time at Norton. They leave us with fantastic memories, strong foundations and the confidence to embrace the next stage of their education. We wish them every success and happiness at secondary school.

We have a small number of places remaining for September, including Reception. We welcome you to visit the school and experience our friendly community and nurturing environment. To arrange a tour, please contact the school office on 01359 230520.

ELMSWELL HISTORY GROUP

Our July exhibition on the *History of English Women's Football* went very well with young and not-so-young football enthusiasts attending from near and far to view the extensive displays put together by curator, Steve Bolton, whose grandmother was an early-era footballer. Some of the many surprises from this exhibition were to learn that women's football was banned by the F.A. in 1902 and then again in 1932 but, at that time, their crowds were bigger than for the men's game! Also, to see and feel the old, very heavy leather balls, and the most uncomfortable-looking boots, amongst the numerous artefacts on show that afternoon. See photo of the team who put this exhibition together.

Meanwhile, to celebrate our 25th anniversary last April, we had a representative from **Save Britain's Heritage** speak to us, so here's their latest bulletin on *Buildings At Risk* which, unfortunately, include several in our eastern England area - <https://www.savebritainsheritage.org/news/save-adds-record-number-of-buildings-to-national-risk-list>

Heritage Open Days - this year's annual event runs from 11-20th September, so now's the time to select your free event or tour in East Anglia, some of which need to be pre-booked (hence this advance notice). For more details, click onto this link -

<https://www.heritageopendays.org.uk/whats-on/printable-area-lists/region-eastern.html>

Every September thousands of volunteers across England organise events to celebrate our fantastic history and culture. It's your chance to see hidden places and try out new experiences – all of which are FREE to explore and some of which are not normally open to the general public.

East Anglian Traditional Music Day, Sat 19th September - a celebration of music, dance, and song, taking place all over Stowmarket, with a free pre-festival session to get you started on Fri 18th September, hosted by Rosewood with early guest arrivals. Get in touch on tmd@eatmt.org.uk if you have any questions before booking. Events as part of Traditional Music Day happen in multiple venues around Stowmarket – please check the programme (coming soon) to find out where individual events are taking place!

Meanwhile, enjoy the summer.

DOWN OUR STREET

Taking a few more nostalgic looks at Norton.

Robert Honeywood conducts the slave auction on an evening of promises for the Twinning Association at the Village Hall. The lady in the foreground is Dotty Pissarro and a young Stephen Honeywood is seated next to his father, with Ken Hankin behind. The man with glasses and moustache is Len Turner.

Right. Do you remember the first 'Norfest' on the playing field? Thanks to David Croft's daughter Penny, the event was opened by 'Allo Allo' stars Richard Gibson, who played 'Herr Flick of the Gestapo' and Arthur Bostrom who played 'Officer Crabtree' of 'Good Moaning' fame.

Above left. The 3 Horseshoes before the fire in January 1971. Right. The Salvation Army Hall in 1994, which stood on Ashfield Road. It was dismantled within a week of this being photographed.

A lovely fun afternoon hosted by Rex Mounfield at Little Orchard, Ixworth Road. Money was raised for good causes. The last train ran in 2016 when Rex moved from Norton.

29 August 2008. Railway carriage being removed from behind Heath Road to begin a new life at 'The Middy' (Mid Suffolk Light Railway . I believe it had been originally furnished as a home for one of the Plumpkins. Thanks to Kevin Elvin for sharing this photo.

Members of the Baptist Church and Sunday School in 1997 when Arthur Blackhurst (centre back behind the lady with the red coat), was the Pastor.

Lorry crash at The White House near The Gardens (mid to late 1980s I think). The Copper Coin's wall was regularly demolished. Accidents were common on this part of the A1088 and quite a few resulted in fatalities! It led to the formation of the Norton Action Group, 'NAG' which campaigned to stop heavy lorries using the A1088. This was one of the reasons that the A1088 was restricted for HGV use, as it was used as a short-cut from Thetford to the A14. Speed-watch is also helping with today's speeding traffic, trying to keep the residents of Norton safe.

Sunday 12th July 2026 - WOW - what a day!

We would like to say the biggest **THANK YOU** to all of the members past and present that accepted our invitation to celebrate 40 years of our Association. The sun certainly shone for us while we enjoyed a fabulous hog roast accompanied by a vast array of salads supplied by members - thank you! Seeing everyone come together was simply the perfect way to celebrate 40 years - here's to many more!

If anyone would like more information then please do get in touch (contact details below)

We have lots coming up for the rest of the year, so make a note of the dates listed below, and we hope to see you all soon!

Dates for your diary:

Norton and District Twinning Association

ELMSWELL GARDEN CLUB

Our speaker this month was Jim Paine, who is a former nursery owner and is a tree enthusiast. Jim's passion and humour was evident as he talks through trees that are suitable for gardens, both large and small.

Trees can provide height, structure and visual appeal in the garden as well as creating a microclimate around them that will attract and sustain wildlife. Evergreen trees, such as conifers, can provide a permanence though the seasons but some deciduous cultivars such as Tibetan Cherry will provide spring blossom, great autumn leaf colour and striking red bark in the winter, so are a great option for gardens.

Careful consideration of location (not too close to the home), soil fertility, drainage and whether your garden is exposed will lead to better choice of tree.

Jim recommends keeping your trees 'slightly hungry but never thirsty' focusing more on watering than feeding, watering regularly in the first year after planting.

Our speaker for July 21 meeting is Paula Joyer, a local flower farmer at Fox House Flowers and will be speaking to us about her flower growing: 'Born in Essex, Grown in Suffolk'. The meeting starts at 7.30pm in Wesley Chapel, School Road.

We look forward to welcoming you and sharing our passion for gardening.
